Buy Direct and Save Time & Money

Torrington Brush Works has been supplying quality brush products to industries since 1907. We consider it very important to send our customers the best possible product for a fair price. Our goal is to make all of our customers happy with our products and our service. We would like to hear from you, our customers, about how you feel regarding our products and service, and how you think we may improve those products and that service.

90 Day Limited Warranty

All products sold by Torrington Brush Works, Inc. ("Torrington") are warranted by Torrington to the original purchaser against defects in material and workmanship for the lifetime of the product. If any Torrington products are defective, you may return them and we will promptly replace them at no cost to you, or at our option, refund the full purchase price if returned within the 90 day limited warranty period. Please contact us for any returns and we will send you an RMA.

If any of our products do not meet your requirements as the original purchaser, you may return them, shipping costs prepaid by you, and we will promptly refund the full purchase price.

These warranties do not apply to any products which have been damaged, altered, neglected, misused, or not properly maintained after delivery to the original purchaser. The purchaser's remedy against Torrington for breach of any obligation arising out of the sale of its products, whether derived from warranty or otherwise, shall be limited to replacement or refund, as specified herein. Torrington expressly disclaims any liability for any other damage or loss including, but not limited to, incidental or consequential damages.

HANDCRAFTED SHORT OVAL BRUSHES!

* 01151 - Shorter 2" Trim

* 01152 - Longer 2-1/2" Trim

- Handformed oval dome shape top.

Short Handle Oval Brushes

Oval shape short handle brushes perfect for painting with any application. The handformed dome shape tops enables users to get into grooves and crevices with ease. The short round handle is coated with a wax finish to protect against liquids. It fits perfectly in your fingers like a pencil, providing you with a well balanced brush. Available in 2 trim sizes a shorter 2" and longer 2-1/2" .

Touch Tone	Size	Diameter	Bristle Length	Price Each
01151	#10	1"	2"	\$12.74
01152	#10	1"	2½"	\$13.16

Handcrafted Palm Wax Brushes

The most comfortable wax brushes on the market. Made with a very unique style plain wood palm handle, designed by Torrington Brush, which fits perfectly in the palm of your hand. Now furniture waxing can be done comfortably without your hands becoming tired. Perfect solution for people with arthritis. The top of the handle has a flat surface, so that you can set the brush upside down when not in use, avoiding a possible mess. The brushes are densely filled with higher grade white china bristle giving you the stiffness needed to apply wax. Bristle is set in a round nickel steel ferrule to prevent rusting. Try out this new palm design and we promise you will be hooked!

Touch Tone	Size	Diameter	Bristle Length	Price Each
01153	Medium	1-½"	1-⅝"	\$16.25
01154	Large	2"	2"	\$17.99

* 01153 - Medium Size Palm

**Torrington
Palm Wax Brush
Design!**

**Comfortable
Palm Grip
Handle!**

* 01154 - Large Size Palm

Short Handle Mini Style Paint Brush

Short mini handle style paint brush. Filled densely with a higher grade of 90% tops natural white hog bristle. Assembled using a stainless steel ferrule to prevent rusting and a wax coated wood handle to protect from liquids. The brush has a chisel trim top, which has first been handformed to protect the natural tips of the bristle in order to achieve the smoothest finish. The inside of the brush head has been specially constructed to create a larger pocket, which allows the brush to hold and release more paint, varnishes, enamels or stains effortlessly. This professional brush is handcrafted in the U.S.A

100% Pure Black China Bristle

Three grades of superior hand made painters' tools, carefully constructed to the finest quality standards by highly skilled brush makers at our Sarasota, Florida brush making facility. Skillful blending of extra long lengths of top quality 100% pure black china bristle produces exceptional flexibility and superior shape holding properties. Extra long bristles allow for greater paint carrying capacity and provide for easier and smoother paint flow from the brush to the painted surface while minimizing painting effort.

01125	777C	4"	1"	4"	\$23.79	6

Master Painters' Brush - Longer Bristle

Our finest quality "top-of-the-line" hand constructed painting tool with even longer bristle-out. Designed specifically for the professional contract painter satisfied by only the very best tool available. The select china bristle used in this brush assures maximum paint carrying capacity while it enhances and eases paint flow from brush-to-job. Made to the same highest quality standards as all of the brush tools on this page. Set with solvent proof epoxy cement in a Stainless-Steel ferrule, hand assembled and nailed to a solid hardwood handle. *Handcrafted in our Sarasota, Fl. brush making facility.*

Plastic Handle, Polypropylene Bristle, Non-Metallic Paint/Oil/Chip Brush

These brushes are made by a process that combines Polypropylene bristle into a plastic molded handle, completely eliminating the use of metal components. Intended for the use of our customers who require a brush that is entirely synthetic, it is economical enough to be disposable, yet resistant to practically all oils and chemicals.

Touch Tone	Size	Thickness	Bristle Length	Price Each
02109	1"	5/16"	2 1/4"	\$2.49

Double thick, exceptionally high quality maintenance paint brushes. Extra long bristles and double thick construction help carry a higher paint load to the job surface and allows for a smoother, more even coat of paint. Expertly blended pure china bristles and polyesters are shaped to a natural fine chisel edge for sharper cutting-in, improved paint flow and accurate, streak free painting.

100% Chemically Tapered Polyester Bristle

- Skillful blending of the finest chemically tapered and tipped, polyester bristle and hardwood handles, assembled into professional quality painting tools that assure satisfaction and top quality performance. Recommended for use with both oil based and latex based paints. Polyester brushes give 3 to 5 times the life of ordinary brushes and surpass nylon bristle in producing a professional streak free application of paint. Carefully constructed to top quality standards by highly skilled international brush makers, the light weight polyester bristle is set in solvent proof epoxy cement with stainless steel ferrules.

15011 - Blue
Medium Duty

15012 - Black
Heavy Duty

Nylon Impregnated Scrubber

This impregnated nylon pad can be used to clean floors, decks, fiberglass or metal prior to painting. It is more aggressive than a scrub brush and can be used in place of sand paper in many instances. Available in two grades.

Touch Tone	Size	Grade	Uses	Price Each
15011	6 x 3 x 7/8"	Blue - Medium	Floors, Boat Deck, Pool	\$4.33
15012	6 x 3 x 7/8"	Black - Heavy	Grill, Tools, Boat Hulls	\$4.33

General Synthetic Specialty Loop Mops

Made from a 4-ply synthetic blend of rayon yarns that will soak up and hold large amounts of finish or water and made specially for use as a commercial duty cleaning mop or as a floor finish applicator. The closed loop construction results in 90% less linting and will last 3 times longer than a cut-end mop. Combine these mop heads with our heavy duty 09009 mop handle. ***Not recommended for commercial laundering.**

Touch Tone	Size	Weight	Approx. Length	Price Each
08006	Medium	16 - 20 oz.	17"	\$11.49
08007	Large	24 - 28 oz.	19"	\$13.35

Free Freight
Within the Contiguous U. S.

All shipments for product totaling \$150.00 or more are sent UPS Ground Service, FEDEX Service or US Postal Service.

Wet Mop Handle

Superior galvanized steel construction to resist rust and corrosion caused by exposure to harsh cleaning chemicals and finish solvents, on a full 1½" diameter, silver free hardwood handle. Gated release with wing nut clamping for quick and easy mop changes.

Touch Tone	Over All Length	Price Each
09009	60" Mop Handle	\$16.07

Pure Soft White Hog Bristle Round Stipple/Stencil Brushes

Well suited for working with stencil creams, waxes and paint. These brushes are different than our other stencil brushes on the right. Crafted using un-bleached pure natural white hog bristle, these stipple brushes provide a very soft and flexible feel you need when using for furniture, stenciling, wall paper decoration, stippling, applying "spatter painting" effects and even stenciling fabric. The brushes have a flat trim and are set in seamless nickel plated ferrule using a solvent resistant setting compound, which is double crimped to a sealed short, "peg" style hardwood handle.

Touch Tone	Brush Size	Brush Diameter	Bristle Length	Over All Length	Price Each	Box QTY
01944	SMALL	¼"	7/16"	5"	\$2.54	12
01945	MEDIUM	½"	1-13/16"	5-3/4"	\$3.54	12
01946	LARGE	5/8"	1"	6-1/8"	\$4.69	12
01947	XL	7/8"	1-3/8"	6-1/4"	\$5.96	12

Bleached White Hog Bristle Stencil Brush

These bleached white hog bristle stencil brushes are medium stiff and well suited for school or hobby use as well as using with stencil inks. These brushes have a flat trim and are set in seamless nickel plated ferrule, which has solvent resistant setting compound and is roll crimped to a short, plain sanded "peg" style hardwood handle.

Touch Tone	Brush Size	Brush Diameter	Over All Length	Price Each	Box QTY

These maximum duty cylinder or tube brushes have tightly twisted heavy gauge steel four-wire stems. Both Hi-Carbon and 302 Stainless Steel versions are of double stem, double spiral construction, hand laid to uniform, precise diameter, with an even distribution of bristle throughout the brush part for maximum heavy duty brushing and cleaning. Intended for use with low speed drills, presses, lathes and CNC machines. Please use a suitable holder and make sure the brush stem is fully chucked. Safety glasses should always be worn when brushes are being used.

Note: Do Not Exceed The Maximum Safe Free Speed (M.S.F.S.) of 850 R.P.M.

Carbon Steel, Stainless Steel and Brass Hand Operated Tube Brushes

For Hand Operation Only!

Hi-Carbon Steel, Stainless Steel and Brass wire filled and twisted in a single spiral steel stem, provided with an ample sized "finger loop" or "eye", these tube brushes are intended for hand use and used to clean the inside walls of tubes, drilled holes and other internal bores and passages of chips, dirt and other residue.

Gun Cleaning Rod for Rifles, Shotguns & Pistols

This is a premium all steel gun cleaning rod that can be used with rifles, pistols and shotguns. It comes with 2 attachments, a cleaning cloth and a 5/16 female coupling for shotgun brushes. This rod has a comfortable solid steel red handle which spins as its pushed down the gun barrel. This function allows the gun brushes to follow the grooves inside the gun barrel naturally without causing any damaging. This rod is a great addition to have if you own a gun as all gund need to be cleaned. The steel construction ensures the rod will not bend or deform. **"MADE IN U.S.A"**

Mandrels, Arbors & Small Wheel Adapters

These mandrels, arbors and adapters are specially designed to work with our "COPPER CENTER" wire wheel brushes. They can also be used with abrasive cut-off wheels, grinding stones, buffs, etc. Designed for safe hi-speed operation from hi-tensile steels, featuring a variety of locking methods assuring quick change while maintaining a high degree of safety. Permits wheels and buffs to reach places other designs can't reach. Plated and black oxide finishes.

For "Butterfly" Style Brushes

These holders reduce the trim length of the "BUTTERFLY" brushes bristles for stiffer de-burring action. Match stem diameter of brush with stem diameter of hole in stem holder. Supplied with set screws in black oxide finish.

Touch Tone	Stem Dia.	Holder Dia.	Over All Length	Shank Dia.	Price Each
06523	.099	1/4"	4"	1/4"	\$18.47
06144	.150	3/8"	4"	1/4"	\$16.13

"Hi-Density De-Burring" Style Brushes

The heavy concentration of bristles in these brushes provides extremely stiff brushing action for "cross-hole" de-burring and many other applications in all manner of drilled or bored holes.

Do not exceed the recommended MSFS=2,000 R.P.M*

Best for De-Burring Cross-holes

Hi-Carbon Steel

For "Hi-Density De-Burring" Style Brushes

For use with high density de-burr brushes. Double set screws securely lock stem in place. Can be used to extend the length of any twisted-in-wire brushes having same stem diameter as holder. Comes in black oxide finish.

Cleaning Brushes for Heating, A/C, Pellet Stove & Dryer Ducts

These duct cleaning brushes were designed to serve the needs of the heating and air conditioning industries where it is often times necessary to clean and dust duct work that is in place. These brushes are made with a short brush part to facilitate passage through off-sets and elbows of up to 60° or more. Filled with materials stiff enough to dislodge dust and dirt, yet soft enough so as not to damage flexible aluminum ducting. A full line of adapters, "Tee" handles and extra flexible fiberglass rods are also offered. The inclusion of "pellet stove" brushes rounds out the range of duct diameters that can be accommodated. Also used to clean dryer and bathroom vents.

Pellet & Corn Stove Duct & Flue Brushes

These cleaning brushes are designed for cleaning pellet & corn stove flues or drier ducts or any other "zero clearance" heating or cooling devices including delicate ducts made of flexible aluminum or plastic. Union fiber filled.

Touch Tone	Duct Diameter	Fill Material	Brush Part	Coupling Size	Price Each
06555	2"	Union Fiber	2 1/4"	1/8 N.P.T. x 5/16-18	\$9.92
06556	3"	Union Fiber	2 1/4"	1/8 N.P.T. x 5/16-18	\$9.97
06557	4"	Union Fiber	2 1/4"	1/8 N.P.T. x 5/16-18	\$10.99

Air Conditioning Duct Brushes

These cleaning brushes are designed for cleaning air conditioning, cold air returns of heating or cooling devices including delicate ducts made of flexible aluminum or plastic. 5" & 6" are union fiber and 7" to 12" are palmyra.

Touch Tone	Duct Diameter	Fill Material	Brush Part	Coupling Size	Over All Length	Price Each
06558	5"	Union Fiber	3 1/2"	1/8 N.P.T. X 5/16-18	6 1/2"	\$10.35
06559	6"	Union Fiber	3 1/2"	1/8 N.P.T. X 5/16-18	6 1/2"	\$11.48
06560	7"	Palmyra Fiber	3 1/2"	1/8 N.P.T. X 5/16-18	6 1/2"	\$13.28
06561	8"	Palmyra Fiber	4"	1/8 N.P.T. X 5/16-18	7"	\$13.40
06563	10"	Palmyra Fiber	5"	1/8 N.P.T. X 5/16-18	8"	\$14.96
06564	11"	Palmyra Fiber	6"	1/8 N.P.T. X 5/16-18	9"	\$18.42
06565	12"	Palmyra Fiber	6"	1/8 N.P.T. X 5/16-18	9"	\$20.22

Pencil End Brushes

Pencil end brushes can be used in a variety of ways, either hand held or chucked in a drill press or portable power tool. Excellent for cleaning chips, dirt and grease out of deep counter bores or slots, light spot facing of aluminum or iron sand castings. Available in stainless steel or hi-carbon steel. Pencil End brushes are designed with the wire extending the length of the tube handle. As the outside wires wear down, you can trim back the tube handles revealing new wire and extending the life of the brush.

MSFP* = 8,000 R.P.M.

Bi-Level Vehicle & Floor Wash Brushes

5-Level Multi-Surface brush, ideal for washing vehicles, boats, RV's and other surfaces. There are 3 different brush options, each with a different stiffness. The blue nylon is soft, yellow is medium stiff and red is stiff. Although these brushes are suitable for many types of surfaces, some brushes may scratch the surface, always test when unsure and before use. The foam block offers a flow through hole, which can be used with a threaded flow through handle like our *Item #09014. Brushes are made right here in the U.S.A

Touch Tone	Fill Material	Size of Block	Brush Trim	Price Each
04200	Blue (Soft) Nylon	7-3/4"	2-1/2" (Sides- 1 3/4")	\$27.95
04201	Yellow Flagged (Medium Stiff) Polypropylene	7-3/4"	2-1/2" (Sides- 1 3/4")	\$20.38
04202	Red (Stiff) Polypropylene	7-3/4"	2-1/2" (Sides- 1 3/4")	\$16.49

Multi-Angle Deck & Pool Brush

For all deck scrubbing, pool cleaning and patio applications. Angled to reach difficult to clean areas. Excellent for all outdoor floor surfaces. Filled with stiff crimped blue polypropylene filament and set in a foam block. Handle sold separately (*see page 59).

03042	18"	3"	\$18.69
03043	24"	3"	\$23.79

Horsehair & Plastic Center with Horsehair Border

A favorite janitorial sweep that will give excellent service and superior performance. Extra bristle length greatly enhances this sweep's efficiency and adds to its overall life expectancy. **Handle is sold separately.**

Touch Tone	Size	Trim	Price Each
03029	18"	3"	\$23.61
03030	24"	3"	\$27.61
03034	30"	3"	\$37.99

Steel Wire & Fiber Center Horsehair & Plastic Border

The tempered wire and tampico fiber at the center, makes this sweep ideal for dislodging caked on dirt and grease, metal chips, glass and paper. The plastic border picks up the finer dirt. Very popular in metal fabricating plants, glass factories, machine shops, paper mills and repair shops. **Handle is sold separately.**

Touch Tone	Size	Trim	Price Each
03040	18"	3"	\$32.75
03041	24"	3"	\$44.91
03044	36"	3"	\$75.15

Heavy Weight Sweeper

A heavy weight sweeper, filled with 100% polypropylene bristle will out wear 3 palmyra garage sweepers. The molded polypropylene block is guaranteed not to rot or crack and the bristle not to mildew or mat for the life of the sweep and is unaffected by most alkalis and acids. **Handle is sold separately.**

Touch Tone	Size	Trim	Price Each
03012	18"	3"	\$18.71
03013	24"	3"	\$22.14

3-Row Scratch Brush

Filled with .014" tempered wire, this low cost scratch brush provides stiff, aggressive brushing action for effective rust or oxide removal. Fitted with a comfortable hardwood handle, this brush is used primarily for surface preparation prior to priming or painting.

Touch Tone	Number of Rows	Brush Face	Trim	Over All Length	Price Each
04885	3 x 19	1 1/8" x 2 7/8"	1 1/8"	11 3/4"	\$3.83

Shoe Handle Scratch Brush

Filled with the same .014" tempered wire as the curved handle brush shown above and used for many of the same applications, the comfortably shaped hardwood handles help concentrate hand pressure closer to the brush part.

Touch Tone	Number of Rows	Brush Face	Trim	Over All Length	Price Each
04884	4 x 15	1 1/8" x 2 7/8"	1 1/8"	10"	\$2.34

Upright Typewriter Brush

Excellent small brush for cleaning in confined places and otherwise nearly inaccessible places. 2 x 6 rows of staple set fill material on a smooth hardwood block. Now available in Horsehair, Stainless Steel or Brass.

Touch Tone	Number of Rows	Bristle Material	Brush Part Length	Trim	Block Size	Price Each
04889	2 x 6	Horsehair	7/8"	1/2"	4 3/4" x 1 3/32"	\$2.91
04892	2 x 6	Stainless Steel	7/8"	1/2"	4 3/4" x 1 3/32"	\$2.71
04893	2 x 6	Brass	7/8"	1/2"	4 3/4" x 1 3/32"	\$2.62
04879	2 x 6	Black Nylon	7/8"	1/2"	4 3/4" x 1 3/32"	\$2.56

04095 - Stainless-Steel

04096 - Crimped Brass

04097 - Black Nylon

04098 - Horsehair

04878 - Bronze Wire

Typewriter Utility Brushes

Excellent small brush for cleaning in confined places and otherwise nearly inaccessible places. 3 x 10 rows of staple set fill material mounted in a straight hardwood smooth handle. Available in either a Horsehair, Crimped Brass, Stainless Steel or Black Stiff Nylon.

Touch Tone	Number of Rows	Bristle Material	Brush Part Length	Trim	Block Size	Price Each
04095	3 x 10	Stainless-Steel	1 1/2"	1/2"	6" x 1 1/2"	\$2.99
04096	3 x 10	Crimped Brass	1 1/2"	5/8"	6" x 1 1/2"	\$3.51
04097	3 x 10	Black Nylon	1 1/2"	9/16"	6" x 1 1/2"	\$2.09
04098	3 x 10	Horse Hair	1 1/2"	9/16"	6" x 1 1/2"	\$2.56
